

STUDENT APPLICATION for LatticeStructures Symposium

Complete and email to:

LatticeStructures@gmail.com

OR mail to:

Jesse Hull, Curator

LatticeStructures

P.O. Box 5872

Kansas City, MO 64171

Applicants must be 18 years of age or older, and currently enrolled in a high school or degree program. This application is for one free seat at the LatticeStructures Symposium only. Applicants will be selected by the curator, guest curators, and/or presenters. There will be a certain number of seats set aside for this process; however, the event may sell out before selections are completed. Therefore, if attendance is a concern, we recommend that you purchase a seat for the symposium. This purchase will in no way hinder your chances for a free seat, and if selected, the purchase price of the seat will be refunded to you. Deadline for applications: email or postmarked by AUGUST 15, 2005.

PLEASE TYPE OR WRITE LEGIBLY

1. Education (high school and beyond):
